OUR SPECIALIZED STARCHES

Tailored Solutions, Crafted for Your Unique Needs!
We might be having solutions for all your needs!

ABOUT US

Angel Starch & Food Private Limited was established in Erode, Tamil Nadu, India in 2010, the new division of Sree Mangalmoorthi Starch Industries that was started in the year 1990 for Native Tapioca & Corn Starches.

Our core value of 'Customer Focused Innovation' has made us one of the largest manufacturers, suppliers and exporters of wide varieties of starches in India. We have acquired international certifications such as FDA, BRCGS, ISO 9000 & 22000, Kosher, JUHF Halal, Halal, SEDEX, FSSAI, ZED, AEO, APEDA, FIEO, SGS Organic, NPOP and more. Our upgraded facility boasts robust quality control systems to ensure the highest standards of product quality and safety & innovation labs.

OUR VISION

We aim that Angel Starch and Food Pvt Ltd to be among the top globally recognised companies in providing high-quality functional food ingredients, customized starches, carbohydrates, and hydrocolloids for various industries.

OUR MISSION

- Our mission is to expand globally while establishing a strong presence in the Indian industries by offering top-quality starch and food products tailored to customer needs.
- We aim to deliver exceptional products, create delightful experiences, and boost customer production efficiency while cutting their costs.

Mr. RADHAKRISHNAN V.P.S.

- Our story began in 1990 by Mr. Radhakrishnan VPS under the name Mangalmoorthi Starch Industries, primarily manufacturing of native tapioca and corn starch. Over the years, we transitioned our focus to the food & beverage industry.

- We have been present in the USA & European regions since 2013.
